Thank you for chipping in to this year's Birdies for Charity pledge drive!

Birdies for Charity is the areas largest fundraising drive for local charities. Thanks to John Deere

underwriting all the administrative costs of the program, 100% of your donations go back to the charities you pledge. The program raises additional money to also match your donation. This year we are thrilled to announce that a 10% match was given to local charities for the donations they raised.

Habitat for Humanity is excited to announce that we have raised just over \$20,000 in pledges and matching dollars this year! Thank you for your continued efforts with Birdies for Charity!

Happy National Caregivers Month!

It's time to recognize the caregivers! Approximately 43.5 million US caregivers (1 in 3 adults) have provided unpaid care to an adult or child in the last 12 months. It's important that you who care for others remember to take care of your self as well.

Our team at the Health and Home store are there to help get you the right tools to make your caregiving a little easier. Check out our [Health and Home store online](#) or stop in an visit with one of our talented volunteers/staff today!
