100 homes and going strong

June is national affordable housing month and what better way to celebrate by kicking it off with the dedication of our 100th Home? We were delighted to join with well over 100 members of the community to welcome Theo and Sophie and their young son Christopher into their new home. We now have more than 430 individuals in the Quad Cities who call a Habitat Build Home.

This is a tremendous milestone for us and we would not have been able to build this home or any of the 99 others without the financial support of the community and countless hours of our thousands of volunteers who make these homes a reality.

A special thanks to the Moline Kiwani's who provided food, Quad City Bank & Trust for Cookies, and the Boys & Girls Club for letting us use their parking lot. We have amazing volunteers and groups step up at each of our dedications and this one was no different. Here's a glimpse at just some of the news coverage: [Dispatch](#), [Arqus](#), [WQAD](#), [KWQC](#),

Thank you so much for your support! With you by our side we are ready to get building on the next 100 homes! You can check out more photos from our celebration on our [Facebook page](#).
