### monthly spotlight

The 2017 Annual Dinner was held on Saturday, March 11th. The Habitat, ReStore, and Health and Home staff were thrilled to celebrate all of 2016 successes with donors, volunteers, and partner families. Long time volunteer Belinda Holbrook was presented the Dr. Walter Neiswanger Lifetime Achievement Award.

Belinda Holbrook became involved with Habitat back in about 1995, when this organization was in its infancy. Belinda served in almost every capacity you could. She volunteered at the job sites, she served on the Board of Directors, she has been a lunch provider, she served on both the family selection and family support committees and probably church relations and other committees as well. In fact, she remains the chair of the family support committee to this day.

Belinda has also volunteered at the ReStore virtually since their inception. She has cashiered, volunteered on the floor, organized and arranged merchandise, she has taught an array of different classes (faux stained glass, stepping stones, mosaic), she has and can do about any task there is to do there. Belinda has recruited and mentored other volunteers for us. Belinda has simply been there, wherever and whenever needed and we wouldn't be where we are today without her.

We are blessed to have Belinda as part of our Habitat for Humanity QC Chapter Family.
